

## ENGLISH

Across the two terms in English, we will be learning:

### Non-Fiction:

- Autobiography of our lives
- Non-Chronological Report. Fact file about everyday life and childhood in the 1950s compared to today.

### Fiction:

- Adventure Tale. Innovating 'Lost in the Toy Museum' and writing our own story.
- Fantasy Tale. Writing a story based on 'Aziza's Secret Fairy Door'.

### Poetry:

- Spring poetry based on the senses

## Curriculum Information

### Year 1 Spring Term (Terms 3 and 4)

### OUR TOPIC THIS TERM IS:

## Childhood

In music, our units are 'Into the Groove' and 'Round and Round.

## MATHEMATICS

This term in mathematics, we will be learning to:

- Place value within 20
- Addition and subtraction within 20
- Place Value within 50
- Length and height
- Mass and volume
- Start our unit on multiplication and division

We will also be continuing to work on the skills from our previous terms such as:

- Number bonds
- Re-call of number facts
- Fact families
- Part-whole models

Ways in which you can support your child this term are:

- Websites: <https://www.topmarks.co.uk/>,
- Hit the button maths game to practise number bonds
- Looking at different representations of the same number (for example 3 as 3 cubes, 3 apples, 3 on a dice, 3 fingers, 3 on a number line etc)
- Re-call of number bonds to 5 and 10

Our values this term...

**Perseverance and honesty**
