

ENGLISH

This term in English, we will be learning:

Fiction

Narrative story based in an ancient time.

The children will use their learning of Ancient China to create a fictional narrative about time travelling back to this time and having an adventure.

Rags-to-riches story.

Using inspiration from traditional Chinese stories to create a story of growth.

Non-fiction

Biography of Cheng Tang. This will include researching this person, as well as learning more about each other to create biographies of each other.

Recount. Using a day in the life example of a prominent Chinese Emperor, the children will create the recount of a significant time in their history.

Poetry

Narrative poem using inspiration of ancient Chinese folktales and performance poetry.

Science

Forces and mechanisms as well as Earth and Space.

PSHE

This term we are thinking about our "Being me in my World" and "Celebrating differences"

RE

This term we are focusing on Guru Arjan Gurburab and the festival of Holi

PE

This term we will be focusing on physical skills and Yoga.
PE days will be **Wednesday** and **Thursday**.

MUSIC

The music we will be listening and responding to this term will be "Music of the week", which is a variety of music genres for the children to be exposed to and experience.
