

### Coastline - Homework Tasks

This project teaches children about the physical and human features of coastal regions across the United Kingdom, including a detailed exploration of the coastal town of Whitby, in Yorkshire. If you have a picture, powerpoint or homework that your child wants to share and it's easier to email then please feel free to email it to [mrscorp@stanwickprimary.org.uk](mailto:mrscorp@stanwickprimary.org.uk). Spellings will be set and collected in separately every Monday and don't forget to read to an adult at home at least 3 times every week! Any questions please don't hesitate to come and speak any of the team! 😊 You can create your own homework ideas too.

Look at the difference between human features and physical features.	Research the dangers of the coast.	Keep a weather diary	Design a costal flag
Identify the different countries in the United Kingdom and their capital cities	Research Captain Cook	Create a poster about keeping safe at the coast.	What are compasses used for?
Where in England has a coastline? Can you identify it on a map?	Research a charity that helps the coastline.	Maps are used to help people find their way from one place to another or find out where different places are. Physical and human features are marked on a map with symbols	Write a list of equipment you need to keep safe on the coastline.
