

Thursday 5th November 2020

Dear Parents/Carers,

I am writing to you following yesterday's updated guidance that was released to schools. This new guidance has had little impact on the current systems that we have already put in to place, as we already have a robust risk assessment in place.

One change that has occurred from last night's guidance was the expectations around the use of face coverings. Staff will now be wearing face coverings when moving around the school, as well as for the beginning and ending of the school day. We are also now asking that parents and carers wear face coverings when on the school site dropping children off, or collecting children. This is a precautionary measure that we are taking to ensure the continued safety and care for the children at Stanwick Primary.

Further to this, you will have also received confirmation that we are stopping the football clubs held after school. We shall communicate with you when these clubs are running again. Please note that our Sunshine Club is still available for wraparound care.

Thank you for your continued support at this time.

Kind regards,

Chloe Neild
Associate Principal
