

Dear Parents/Carers,

A new school year is just beginning at Stanwick Primary and I would like to take this opportunity to welcome all of our fantastic children back to school, as well as the new members joining us in our Thompson Class. I hope that you have all had an enjoyable holiday making lots of memories and are returning refreshed and ready for another exciting year.

The previous academic year saw Stanwick Primary receive a GOOD grading from OFSTED, where the hard work and effort of the children and staff was highlighted. We are immensely proud of the children and this was a great opportunity to show off all that we have to offer in our school and allow the children to shine.

Focus this year continues to be on increasing the opportunities that we offer to your child, nurturing their interests and supporting them to be confident and inquisitive learners along the way. Each child brings their own personality, skills and views to our school and we look forward to fostering these through a range of experiences presented to them throughout the year.

We know that the role that you play in your child's education is very important. We appreciate the contributions that you make towards supporting their learning, as well as to our school. Sharing your child's efforts and talents with you is an essential part of celebrating the children and something we value at Stanwick Primary, so please look out for opportunities to sign up to different events, performances or workshops. We have great pride in the children on all of these occasions and look forward to seeing you at them throughout the year.

It is a real pleasure to be leading this school on the journey that we are on, striving to continue to provide the best possible education and opportunities to your child.

I thank you for your continued support of the school and look forward to seeing you at various events throughout the academic year.

Kind regards,

Chloe Neild
Associate Principal
