

Dear Parents and Carers,

As your child is in Year 1, I am writing to provide you with the further details needed for their return to school if you have chosen for this to happen. If your decision has changed since your previous communication with us, please let me know as soon as possible, so I can accommodate for this change.

We are pleased to let you know that we have been able to put suitable measures in place for Year 1 to be able to return to school for four days a week. On these four days, your child will be working with Mrs Ridley and Mrs Evans in the Year 2 classroom.

When arriving, we ask that you follow the one-way system around the outside of the school building and make your way to the outside door of the Year 2 classroom. If there are other parents there as you arrive, please follow the guidance for social distancing that will be displayed outside for the classroom. Your child will be asked to wash their hands at the sink as they come in to the classroom and then move to their designated table and area.

Your child will be accessing maths and English learning activities in the morning, followed by a range of topic-based and PSHE work in the afternoons. The wellbeing of your child may have been affected during this time, or they may have worries about returning to school. We will look to address these within school if they arise and provide opportunities for your child to discuss any worries they may have.

All other details regarding the logistics of the school day and timings can be found in Letter 1.

Please do not hesitate to contact me at mrsneild@stanwickprimary.org.uk if you require any further questions or queries answering.

Kind regards,

Chloe Neild
