

Dear Parents and Carers,

As your child is in Year 6, I am writing to provide you with the further details needed for their return to school if you have chosen for this to happen. If your decision has changed since your previous communication with us, please let me know as soon as possible, so I can accommodate for this change.

We are pleased to let you know that we have been able to put suitable measures in place for Year 6 to be able to return to school for two days a week at this time. This is due to us not being able to successfully accommodate for the whole year group at one time. On these two days, your child will be working with either Mr Smith and Mrs Bird or Mrs Brown and Mrs Thorncroft. The two days for your child's provision will be confirmed by the end of the school day today. These days will either be Monday and Tuesday or Wednesday and Thursday.

When arriving, we ask that you follow the one-way system around the outside of the school building and make your way to the outside door of the Year 6 classroom. If there are other parents there as you arrive, please follow the guidance for social distancing that will be displayed outside for the classroom. Your child will be asked to wash their hands at the sink as they come in to the classroom and then move to their designated table and area.

Your child will be accessing maths and English learning activities in the morning, followed by a range of transition, topic-based and PSHE work in the afternoons. The wellbeing of your child may have been affected during this time, or they may have worries about returning to school. We will look to address these within school if they arise and provide opportunities for your child to discuss any worries they may have.

All other details regarding the logistics of the school day and timings can be found in Letter 1.

Please do not hesitate to contact me at mrsneild@stanwickprimary.org.uk if you require any further questions or queries answering.

Kind regards,

Chloe Neild
