

12th June 2020

Dear Parents/Carers,

At this time of year, we would normally be looking to hold our transition days, which allows our children to meet their new class teachers for the next academic year. As our children are not all currently in school, we would like to provide some opportunities for the transition sessions to happen in the remaining weeks of school, before the summer holidays.

Please see below the new teachers and support staff for each year group and further details on the structure of the transition sessions.

| Year group | Teacher | Support Staff |
|------------------|---|--------------------------------------|
| Reception | Mrs Kirsty Smith Mrs Kayleigh Taylor-Jacob | Miss Francesca Baker |
| Year 1 | Miss Bella Holmes | Mrs Jayne Evans |
| Year 2 | Mrs Helen Ridley | Mrs Amber Chadwick |
| Year 3 | Miss Lydia Cartwright Mrs Sharon Bird | Mrs Caroline Carter |
| Year 4 | Mrs Rachel Robinson Mrs Heather Brown | Mrs Annie Walker Miss Sarah Beeby |
| Year 5 | Mrs Nakitta Gridley | Mrs Mary Thorncroft |
| Year 6 | Mr Dan Smith | Mrs Tracy Gibson |

The below information is regarding the children's transition sessions to their new class.

Reception in to year 1

Our children in the Reception Class should have all been contacted now regarding their sessions in school and provided with a day and time for a transition meeting with Miss Holmes. Further details regarding the weekly sessions will be coming out to you shortly.

Year 1 in to year 2

Year 1 children will be attending school four days a week unless you have notified us to the contrary. As you will see above, they will be working with Mrs Ridley during this time and having an opportunity to get to know their new teacher well during this time. If you have chosen for your child not to return to school at this time, we will be holding two sessions for your child to join the rest of their class and Mrs Ridley for two transition sessions. These will be held on Thursday 25th June and Thursday 9th July. These sessions will run from 9:30am until 11am. Please see below under 'Information for your Transition Sessions' for further details.

Children Moving to Key Stage Two Classes (Years 3, 4, 5 and 6)

For children moving in to years 3, 4, 5 or 6, they will be provided with two transition sessions which will take place on Fridays. Each class has been split into groups of up to 10 to attend the sessions to ensure we continue to maintain the social distancing measures, and adhere to the government guidance.

These sessions will be held in either the year 2, 5 or 6 classroom in these days as the key worker provision will continue to run across the year 3 and year 4 classrooms. Although we appreciate that not all children will be able to have the opportunity to be in their new classroom at this time, they will be able to meet and spend time with their new teacher.

If your child attends the key worker provision, they will be able to attend the transition sessions to meet their new teachers.

Information for your Transition Sessions

Timings

Your child will be provided with session times for the two visits to school, which last an hour and a half with the class teacher. These sessions will take place in a classroom and may involve some outdoor activities.

We ask that when you collect your child, you continue to use the lines provided for social distancing.

Any child that has permission to walk home, will be released at the normal designated time, unless we are informed otherwise.

Moving around the school site

Please refer back to the document you received on Monday 1st June with regards to the current layout of the classrooms and further details that will be helpful before your child returns for the transition days.

We have a one-way system around the school that we ask that you follow when moving around the school. You are welcome to use either of our entrances on to the school site, where you will see arrows and directions to guide your way to your location. Your child will need to be taken to the outside door of the allocated classroom for their session. You will see that there is space for queuing if more than one parent and child arrives at the same time. Please note that the year 5 queue is on the playground in order to provide continuous access for moving around the one-way system.

Clothing

Your child will not have to wear their school uniform for these sessions. We do ask, in line with our document sent on June 1st, that the children do not wear jewellery or open shoes. We ask that the children are dressed appropriately for the weather and for any PE activities they may take part in.

What to bring

Your child may bring a water bottle to school with them for the session, but they do not require anything else for the classroom. As the sessions are not covering a full day, your child will not be required to bring a snack or lunch. No bags will be needed at school for the transition sessions, but your child may need their hat or coat depending on the weather. If it is warm, we ask that your child comes to school wearing sun cream already as we cannot put this on for them at school.

Attendance

If you **do not** intend to send your child to their transition sessions, please notify us by Friday 19th June by emailing bursar@stanwick.northants-ecl.gov.uk

Following this date, we shall share our plans for providing a transition opportunity for those children that have not been able to join us for these days.

If you have any questions, please do not hesitate to contact me on mrsneild@stanwickprimary.org.uk
