

COVID-19 and safeguarding information for parents

Continued provision for children of critical workers or vulnerable pupils.

Stanwick Primary offers a provision for five days a week, running between the hours of 8am and 4pm for children of critical workers and vulnerable families. Children will complete their learning between the hours of 9am and 3pm and grouped in to EYFS/KS1 and KS2 bubbles.

Please see below to identify whether you fall in to the critical worker category.

Free School Meals

A lunch service is being provided by Edenred for pupils eligible for free school meals across the Trust schools. Details about this have been communicated with eligible families and vouchers will be sent out to you weekly. Further queries can be directed to fsm@neducationtrust.org.uk.

Latest Government advice

In line with the latest Government advice, we are continuing to reinforce the message that our pupils and their families should stay at home and follow the guidance to support the national effort in handling this pandemic unless they are in one of the year groups that have been asked to return.

We will, of course continue to communicate regularly through the website and ParentMail when the information changes. Please refer to the following two links for the guidance we are following.
